## **Continuation Sheet (PTOL-303)**

Continuation of 2. NOTE: The combination of claims does not simplify the appeal issues, The arguments presented that the dimensions are significant are unpersuasive, the dimensions being held as an optimum design choice. The argument presented for novelty using viny acetate and the method for making is unpersuasive in that any suitable material or suitable method of making is also a design choice which may be optimized and still be considered routine in the art.
